## Christian supply business expands

In February of this year, in a building not too small and not too large at 4932 N.E. Union, Lee and Christine Robinson opened a

Christian supply office. "I had been doing church bulletins for about 5 years, Mrs. Robinson explained.

So, the Robinsons decided to go into business for themselves, along with some support from the Albina Ministerial Alliance. They named their shop the A.M.A. Christian Supply.

However, alliance with the A.M.A. has not worked out as expected and the Robinsons plan a name change in the near future. Their line of services will remain the same. They now offer commercial instant printing, office supplies, trophies, instant copy service, name plates, Sunday School materials, posters of limited sizes, business cards, and they even sell Gospel Albums.

Business has been good, due partly to church and company purchases. However, much of their success, as Mrs. Robinson describes it, has been because of their devoted work of 15 year old employee John W. Jones. John types, keeps up with the bills and is becoming very handy mechanically with the copying machines.

So, with the capable help of John Jones and their own determination, the Robinsons are building a dependable instant printing and Christian supply store. Whenever you need supplies for your church, club or business, you can rest assured that you no longer have to travel half way across town for these services. The Robinsons store is located right here in the community.

Dear Graduate:

CONGRATULATIONS! ... or is it congratulations? When you get up tomorrow, will you be facing a real future, a real career - or will it be "just another day"?

If you're all set with the job you really want or with school or college, then congratulations, you're on your way!

But, if you're not set, if you don't know where you're going or what you're going to do - then maybe you can get a little more of everything you want in the OREGON ARMY NATIONAL GUARD.

One of the many advantages of being a GUARDSMAN or GUARDSWOMAN is that, after six months active duty you will be home again. You'll be able to pursue your personal life - your social life - your education - along with developing new friendships.

So, if you'd like to know more about the challenge of serving with the OREGON ARMY NATIONAL GUARD, the GUARD that BELONGS, the GUARD that stresses THE OREGONIAN FOR OREGON concept, then dial 280-6817 for further information.

Sincerely,  
Bruce Broussard
