**NURSE REGISTERED
CLINICAL COORDINATOR**
A challenging management position in a progressive 540 bed teaching
hospital. Responsibilities in surgical patient areas include development and
implementation of nursing standards, programs, policies, and staff planning
with participation in educational programs. Represents nursing at medical
staff meetings related to care of surgical patients. This important position
requires a BS degree, MS preferred with hospital nursing supervisory expe-
rience. Competitive salary with excellent fringe benefits makes this an unusual
opportunity.

Dunbar seeks graduates

The Detroit Chapter of the
National Dunbar High School
Alumni of Little Rock, Ar-
kansas, is sponsoring a re-
union of all the graduation
classes to be held in Detroit,
Michigan, August 2-5, 1973.
The site of this gala occasion
will be the Howard Johnson
Motor Lodge at West Grand
Boulevard and Third Avenue.
The extravaganza is given
in honor and tribute to the
school (Dunbar High) that
was closed by the governor
of Arkansas during the fight
for integration.

Dunbar High has to its
credit more than 15,000 gra-
duates over the years and we
are expecting all of these,
worldwide, to gather in De-
troit for the event August
2-5, 1973. We are very
proud of our school and we
will be very proud to see
you, its graduates, there.

Don Walters is Chairman
of the Detroit Chapter of
Dunbar High School Alumni,
and Ronnie E. Robinson is
Publication Chairman. For
further information about this
coming event, write or con-
tact: Ronnie E. Robinson,
2999 Calvert, Detroit, Michi-
gan 48206, or call 1-313-867-
0559.

**Olga
Knows**
This Week's Horoscope
(June 9 through June 15)

ARIES (March 21-April 19): One close to you
may indulge in what you consider to be "mindless
chatter." Don't ignore, Ari, for this could be tactic
used in effort to reach you. Stop revving your motor
long enough to listen for a change. You will benefit.
Yes, indeedly!

TAURUS (April 20-May 20): Listen in days
ahead, Taurus, to the way dear one turns a phrase.
Read between the lines. Absorb rhythms which sur-
round you. Be a brave bull, dear heart, and stand
firm concerning personal convictions. You have
hidden resources as yet untapped. Others know
your worth. Do you?

GEMINI (May 21-June 20): Questions concern-
ing past actions and future plans sure to be asked.
Gem. If you don't have the energy to weigh your
answers carefully, then plead The Fifth. Your natural
inclination to talk, talk, talk, could get you into a
whole lot of trouble. Week ends on key of C, for Care
and Cuddle.

CANCER (June 21-July 22): Hopscotch days
ahead, Moonbaby. You will no doubt do most of
the hopping, as associate handles the scotch de-
partment. Stay alert and you keep your sense of
balance. Slack off and you end up flat on your fan-
tasy.

LEO (July 23-August 22): Keep an eye on your
belongings, especially if travel is planned. Olga
doesn't want anyone pinching Leo's poke, or any-
thing else, for that matter. Study advice to Cancer
for additional message.

VIRGO (August 23-September 22): Under that
sensible facade of yours, Virg, a desire to raise
Cain lies dormant. However, this week you are not
quite able. Energy may be low. Actions of dailly
associate may drive you to drink. Should this be the
case, keep a five spot ratholed. For cab fare home,
dummy.

LIBRA (September 23-October 22): Leapin'
lizards, Lib, week ahead can be a real beaut. It will
all depend on you. Genuine offer of friendship will
be extended. You have opportunity to stop "becom-
ing" and start "being."

SCORPIO (October 23-November 21):
Partner/mate may create crisis and deliberately
provoke scene. If so, control that volatile temper of
yours, Scorp. Getting sparks flying to break up drab
routine is one of the oldest tricks in the book. You
control situation if you respond in a quiet, rational
manner. Anyway, it's worth a try. Week ends weak-
ly.

SAGITTARIUS (November 22-December 21):
Don't press for commitment from dear one, Sag.
Play waiting game. Not an easy assignment for one
who is as impetuous as you are, but it is wisest
course. Trust Olga. Personal message to you, sweet
thing, in words to Gemini.

CAPRICORN (December 22-January 19): Guard
against carelessness and boredom, Cap, for they
are two of "the little foxes that spoil the vines."
Wanton aggressiveness (often in the form of gossip)
can be a direct result of plain old ennui. Force
yourself to keep busy during first part of week. By
last day, you hear news which will make your little
heart sing.

AQUARIUS (January 20-February 18): Keep an
eye on your private little garden, for interesting
associate is very apt to slip in unnoticed and raise
havoc. You have enough problems, Aquari, without a
sassy serpent slithering about in your Eden. Con-
stant vigilance is price you pay to protect your terri-
torial rights.

PISCES (February 19-March 20): Concerning
impending financial matter, trust your inner vibra-
tions. Listen to advice, but follow intuition. In days
ahead, strong and shifting currents propel you to
hidden areas of your own psyche. As weeks go,
Pisces my pet, this one goes just swimmingly.
