WALT JOHNSON

THE PRIDE OF PORTLAND

Have you been seeking this bar on the back of good looking Mark IV's, Lincoln Continentals, Mercury Marquis Brougham's and incomparable Cougars in our community this year?

Then come to 1212 N.E. 122nd Ave., just south of N.E. Halsey tomorrow, Friday, the 21st, and see where these bars come from while viewing the beautiful 1974 versions of the Lincoln and Mercury line, up to 10:00 p.m.

The next time you see an owner with our bar on his car, ask him about our service sales and our famed 48 hour, money returned policy on used cars. We have no hidden gimmicks, no "closing booths" or sweat boxes; you get truthful answers to questions right down to the last nickel on interest payments at Walt Johnson Lincoln Mercury. Like it says, we are proud to sell the finest car built in America today, and we do it better than anyone else in town.

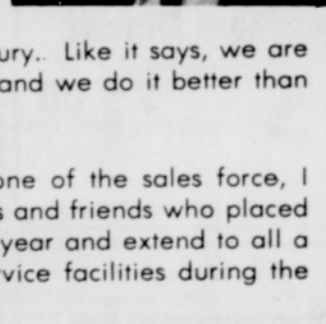

With the opening of the 1974 model year, as one of the sales force, I wish to extend my appreciation to all my customers and friends who placed their faith in me during the successful 1973 model year and extend to all a personal invitation to visit our show room and service facilities during the coming year.

Remember, it is ALWAYS easier to buy a new car than to drive someone else's troubles. I will personally work with you to solve credit and payment problems and questions. We can handle it.

See you there this Friday,

J. ALTON PAGE
