Dear Santa claus,
I know you are not real but I
am writing you because I just want to
see if you will write me back. If I knew
where you lived I would write to the
North pole and ask you for a big toy.
I know you are not real but you see
I will never know if you are real
or not. My freinds say Santa clause
is not real but I am a fool to
believe them. but you mean a lot to
me and so do Mrs Claus and also
so do christmas and I hope every-
body else do to. If you are real I love you

Your friend,
Michelle Bethune
