Dear Mom and Dad,
I want to tell you what Christmas means to me and what I want for Christmas. If you want anything, and I know you do want something good because if you dont others they will do unto you because you're nice. Christmas means that there is a certain joy in the world about the world and because a very special baby born in bethlehem and the baby was king of kings and he was born on December twenty-fifth and his mother was Mary and baby's names was Jesus. From your son.
