

Tektronix, Inc., develops, manufactures and markets internationally recognized precision electronic measurement instruments, computer peripherals and related electronic instrumentation. Tektronix has an opening for a

CONTAMINATION CONTROL SPECIALIST

To set up and maintain a monitoring and certification program on a company-wide basis for all contamination control facilities; provide a wide variety of measurements including temperature, humidity, light levels, contamination levels, air volume and air velocity; and perform all necessary maintenance on contamination control equipment.

Must have at least 4 years experience working with contamination control equipment and a strong background in both mechanical and electrical fields.

Salary is open. Benefits include liberal educational support, insurance and profit sharing programs.

Please send detailed resume to:

Jim Brammer
Tektronix, Inc.
P.O. Box 500 OS14
Beaverton, Oregon 97005
