

Winger Jimmy Kelly and a Dallas player vie for the ball.

Portland Timbers suffer defeat

by Brad Small

The Dallas Tornado scored two quick goals late in the second half to beat the Portland Timbers 2-0, Saturday night. The loss for Portland ended a thirteen game home winning streak that extended to May 2nd of last year. A crowd of 25,905 watched the game.

The return of winger Jimmy Kelly caused a revamping of the Portland lineup. The players were unorganized in their new positions and were not able to control the ball very well. They did get some good shots on goal, the best by Kelly. It hit the crossbar and landed on top of the net.

Dallas came on strong late in the game. The Timbers' defense quickly

deteriorated, and the Tornado scored two goals minutes apart. The first came on a free kick by George Ley. The ball rolled by several players, including Portland goalie Jim Cumbe, who appeared to have no idea where the ball was. Dallas' insurance goal came shortly afterward on a header from Kevin Kewley.

Portland coach Vic Crowe blamed his team's lack of ball control for the loss. He also said the loss may be good for the team, since it proves they aren't invincible at home.

The Timbers' next home game is on May 19th against San Antonio. They're in San Diego Friday, that game being shown on KPTV at 7:30 p.m.

Mayor opens ball season

by Ron Sykes

Saturday, May 8th was opening day for the Irving Park Senior League baseball program. Mayor Neil Goldschmidt was on hand to award trophies to members of last year's All-Star team. Team members were as follows: Kevin Pete, Donald Polk, Tracy Lomax, Michael Mitchell, Danny Brooks, Howard Jenkins, Daryl Motley, Ronnie and Donnie Ranson, Tim Concannon, Gary Washington, Ivory Joe White and Richey Gullidge.

This brilliant team won the Oregon Championship for the third straight year and the District Championship for the second. The District tourney was comprised of teams from Hawaii, Montana, Washington and Oregon. Many followers of baseball at Irving Park will readily admit that this was perhaps one of the finest, if not the finest, to ever play in the park.

The Championship game in last year's District tourney, against the always tough Hawaii team went down to the wire before Daryl Motley's towering

home run decided the outcome. It was then on to California, and many team members had Gary, Indiana, the site of the World Series in mind, but this was not to be. Oregon's bid was denied by a fundamentally sound California team that had practiced, by their own admission, since February.

In my conversation with the coach of the winning California team he had this to say, "When we drew Oregon we were happy because we know all about your rainy weather and figured your guys just wouldn't have that much practice time. But after the first game we knew that Oregon would be the team to beat."

Junior Olympics draws champs

The 3rd annual 4-H Junior Olympics will be held at John Adams High School on May 14, 1976. From 12:00 noon to 4:00 p.m., youth from eleven Portland grade schools will compete in Running and Field events. The grade schools which are from north and northeast Portland, include: Boise, Vernon, Sabin, Whitaker, Beaumont, Woodlawn, Immaculate Heart, Saint Charles, Humboldt, Saint Andrews and Irvington. More than 400 youth are expected at the Olympics.

This year all youth participants will receive ribbons, and the winners will receive gold medals. The medals will be formally presented at the 4-H Annual Banquet in June. The United States Marines will furnish transportation for the youth after the Olympics.

The 4-H Junior Olympics is sponsored by the Urban 4-H program, 4815 Northeast 7th Avenue. Extension Agent, Ira Mumford is Coordinator of that program.

PNB loses opener

by Ron Sykes

PNB one of the powers of last year absorbed a 6-5 shellacking at the hands of Union Avenue Boosters, one of the weakest teams of last year.

But, this is a new year and some exciting things are in the making for baseball in the park. PNB and McDonalds were the two best teams of a year ago, only losing to each other. But this year, like Northwest Bell, McDonalds fell 10-7 to New Navy.

Pacific lost after giving up only two hits to the Boosters. Errors and stolen bases led to the demise of Pacific.

Pacific Northwest Bell was led by Terrall Cage, one of the members of Coach Tom Harris' "Kiddie Corp." Pacific's team starts three thirteen-year-olds and thus deriving the name Kiddie Corp. Terrall Cage was chosen player of the game for his consistent play against the Boosters.

Terrall had one hit in two appearances and made several brilliant plays in the outfield.
