An Equal Opportunity Employer.

ADVERTISEMENT SOLICITATION FOR PRE-APPLICATION FOR SPECIAL GOVERNOR'S GRANT

The Governor of the State of Oregon, as the state's chief elected official and chief administrator of the Governor's Special Grant, funded by Public Law 93-203, the Comprehensive Employment and Training Act of 1973, requests proposals for special manpower projects.

Interested applicants should address their Letter of Intent to the State Manpower Planning Division, 240 Cottage Street, S.E., Salem, Oregon 97310, and utilize certified mail to insure delivery prior to the closing of solicitation.

In order to be considered, Letters of Intent must be received by the Manpower Planning Division prior to the close of business, Wednesday, June 30, 1976. Letters of Intent received after that date will be returned to the applicant without consideration.

Letters of Intent must include the following elements.

1. Organization affiliation by name and type (governmental, private business, or non-profit agency).
2. A brief program narrative which must address a specific manpower problem; define the program objective, and present the strategy to be used in reaching the program objective.
3. A brief program budget, separating administrative and program component costs; and projected quarterly cumulative expenditures.
4. Target group and number of participants.
5. Duration of proposed project. Maximum duration considered will be 12 months.

In addition, all projects must be eligible according to CETA Rules and Regulations, Title I, subpart D - Special Grants to Governors. Applicants should coordinate their proposal with the local CETA Prime Sponsor or the Balance-of-State Subgrantee in their area.

To be given primary consideration, projects must clearly address substantial manpower needs that deal directly with Oregon's economically disadvantaged or unemployed citizens. They must be labor market oriented in that they help a person to become better qualified for a job, or in some way to find and maintain a subsistence level of employment. Letters of Intent will be evaluated on the following criteria:

1. Statewide Impact - Explain how project will impact manpower programs throughout the state. While projects addressing a specific regional need will be considered, past practice has been to give highest priority to those programs having state-wide applicability.
2. Labor Market Impact - Describe how the program will relate training or services provided participants to the labor market, and available or new job opportunities.
3. Innovative - Describe how the project proposes to develop or implement a new approach, strategy, or technique designed to meet some facet of the delivery of manpower services to participants, not presently being employed.

Training or Public Service-type projects normally funded through CETA Titles I, II or VI will not be given primary consideration, but will be referred to the appropriate Prime Sponsor or Subgrantee for local consideration.

The total amount of funds available for new projects is approximately \$270,000. \$125,000 will likely be the maximum amount considered for any one project.

Separate Letters of Intent will be required for each proposal submitted by an applicant.

Those applicants whose letters of intent successfully pass the screening process will be invited to complete a full application to be submitted in July. The letter of intent will be the sole document by which the first competitive screening will be accomplished. Given the fact that amount of dollars available is limited, we anticipate more proposals that can be funded.

ANIMAL CONTROL OFFICER

\$888 (effective July 1). Enforces city, county and state domestic animal laws, investigates damage caused by animals and responds to animal emergencies. Public contact responsibility in enforcing and seeking voluntary compliance with the law is of key importance. This position is at the Mult. Co. Animal Shelter, Troutdale, OR. Bottle honors Crispus Attucks

In commemoration of the 200th anniversary of our nation's independence, James B. Beam Distilling Company, distillers of World Famous Beam Bourbon Whiskey, is proud to introduce Beam's 1776 Bicentennial Limited Edition. This bottle features a contemporary portrait of American hero Crispus Attucks, and contains smooth, mellow 100 month old Beam Bourbon.

Crispus Attucks (1723-1770) was the first colonial patriot to give his life in the cause of liberty on March 5, 1770, in the confrontation between British soldiers and Americans that history now calls the "Boston Massacre." Six years before the Declaration of Independence, Attucks led a crowd of colonialists to Boston's Dock Square to protest the clubbing to death of a youth by a British sentry. Fighting broke out, the Redcoats fired, and At-

tucks was the first to fall. Crispus Attucks and other revolutionary patriots are entombed in the Granary Burying Ground adjoining the Boston Common. In the Common is a monument to Attucks and his companions. At it's unveiling in 1888, poet John Boyle O'Reilly offered the following commemoration: "Honor to Crispus Attucks who was leader and voice that day...call it riot or revolution or mob, or crowd, as you may, such death have been seed of nations, such lives shall be honored for aye."

John H. Johnson, President of Johnson Publishing Company, worked with Beam personnel in helping to select Attucks as one of the men who most symbolize the spirit of America and the ideals that have become a part of our heritage.
