I know the secrets of the stars and the mysteries of the moon. But the origin of The Common Cold baffles even a great thinker like myself. That's why I rely on the Consumer Information Catalog.

It's published by the Federal Government and lists over 200 booklets you can send away for. Over half are free. And all are wise. With tips on everything from repairing a flat tire to relieving a cold.

So send for this free catalog. Write: Consumer Information Center, Dept. B, Pueblo, Colorado 81009. After all, it's hard enough deciphering the mysteries of this planet, without the handicap of an earthshaking sneeze.
