The Pot Sticker and Sizzling Rice is a restaurant to be enjoyed simply for its outstanding food.

My favorites are the Mandarin Chicken and the Curried Chicken with rice. Both are delightful in their complexity and subtlety. However, even though the curried chicken is mild, for those palates used to bland foods it may contain too much curry, which tends to leave a distinctly hot sensation in the mouth. Per-

sonally, I love it. It sets the tone for the whole meal and is a great way to pep up afternoon or evening.

And, if by chance crabs are in season and the Pot Ticker has some on hand (you can hear them scurrying around in the back room, they're always fresh) try the crab in Black Bean Sauce -- fantastic is the only way to describe this culinary treat.
