Santa's sleigh is very bright
Santa's sleigh is red and white.
Santa's sleigh fly's through the air.
Santa's sleigh's covered with angel hair.

Santa's sleigh glows at night,
Santa's sleigh is a beautiful sight.
Santa's sleigh is made of wood.
Santa's sleigh looks like it should.

CHRISTMAS NIGHT

On Christmas night the lights are bright.
At midnight there are bells ringing,
Reindeer singing and Rudolph was leading the way

You can see Rudolph's nose blinking.
And Santa singing.
And even to this day they're still singing
