CHRISTMAS

Christmas is a candle bright,
Christmas is a silent night.
Christmas is the falling snow,
And happy faces all aglow.
Christmas is the babe so small,
Who came to give his love to all.

Christmas is a merry time,
Carolers singing and church bells chime.
Christmas colors are red, green, blue,
and white,
What a beautiful sight.

SANTA CLAUSE

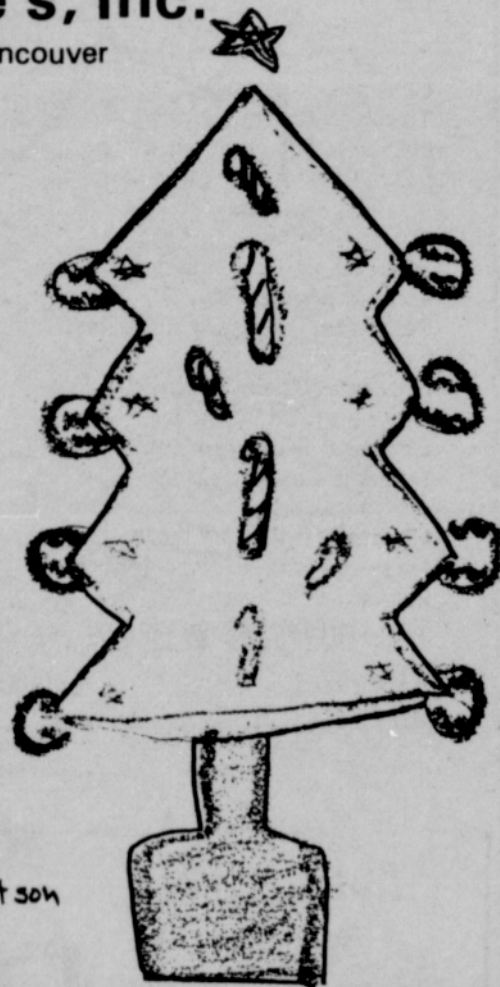

Santa's belly is like jelly.
It is big and round.
When he comes down the chimney
His belly flops around.

His cheeks are red and rosy.
His smile is so wide.
His beard is white and fluffy.
And as long as long can be.
So that is why Santa Clause
Is so jolly to me.
