

CHRISTMAS

At night what a sight to see
The lights that are bright,
And on that night the snow
will glow.

At Christmas time the bells ring
like chimes.
Christmas is the time of year
For lots of fun and good cheer.

CHRISTMAS

Christmas is a wonderful sight.
Christmas brings beautiful moon light.
Christmas is when all the stars are bright.

Christmas is a day either way
Christmas is a beautiful night.
Christmas brings morning light.
