## SECURITY PERSONNEL

We are a major Pacific Northwest utility agency with work in progress on five nuclear power plants. We are seeking candidates to staff a permanent security force.

Initial responsibilities will involve the completion of a comprehensive training program (tactics, weaponry, physical conditioning, etc.), plus physical security of the plant construction sites and headquarters facilities located in the vicinity of Richland, Washington. Long range responsibilities will involve permanent maintenance of physical security for these same locations throughout the post-construction operating phase. These positions require shift and weekend work assignments.

Minimum qualifications are: high school diploma (or GED certificate); at least 21 years of age; possess and maintain a valid Washington driver's license; no record of felony conviction. Demonstrated ability to write and speak clearly is a must! Previous military security or civilian law enforcement experience is desirable. In addition, the successful candidate must pass a pre-employment physical examination, a psychological examination and a physical fitness test. During the course of employment, each individual selected will be required to satisfy all existing and new qualifications imposed by the U.S. Nuclear Regulatory Commission.

Minimum starting salary will be \$6.00 per hour, plus uniform and uniform maintenance allowances. Our comprehensive fringe benefit package includes paid vacation, sick leave and holidays; also included are pension, insurance and educational assistance.
