

CHRISTMAS IS...

Christmas is a lot of things to me. I think of trees and decorations and wrapped toys and wrapped presents.

I hope that we all have a happy Christmas this year. And have a long vacation at Christmas time. Like, me, I think that Christmas is a spirit. When it's Christmas, I think that the spirits will come and make all of the children happy. When they wake up they'll be so very happy. I always believed that an angel comes to people's houses and when they are bad they would put a spell on them.

Christmas is a very very special holiday.
