

CHRISTMAS

I Christmas is giving, Loving, and sharing. I love Christmas because it is fun. Presents are given and people love each other and people come over and say Merry Christmas and God forgive people for their sins. The End.

WHAT CHRISTMAS MEANS TO ME

I think that Christmas is for giving and Loving and sharing things like presents and sharing things back and playing with toys too and decorating the tree and opening presents.

WHAT CHRISTMAS MEANS TO ME

I like Santa Claus.
Jesus was born on Christmas.
That is why I like Christmas.
I like to be together with my family.

Christmas

Christmas means to us Native American Indians—happy. But we do not celebrate Christmas. And all I do is sit around not doing anything til April. I am living and this is how it will look, i know.

WHAT CHRISTMAS MEANS TO ME

I like Christmas. When it snows I make a snowman. Me and my cousin. I will be happy because I want some toys and a ten-speed bike and a game pay day. My brother want some toys too and a bike. And some thing. At my home.
