MERRY CHRISTMAS

I like Christmas
and I'm in a Christmas program
and we play instruments
and wear a costume
and sing songs
and eat cookies
and have a beautiful Christmas.
And Santa have a happy merry Christmas
and Mrs. Santa have a good anniversary
and bring me a present
and Mr Santa,
get well and go to bed when you get home.

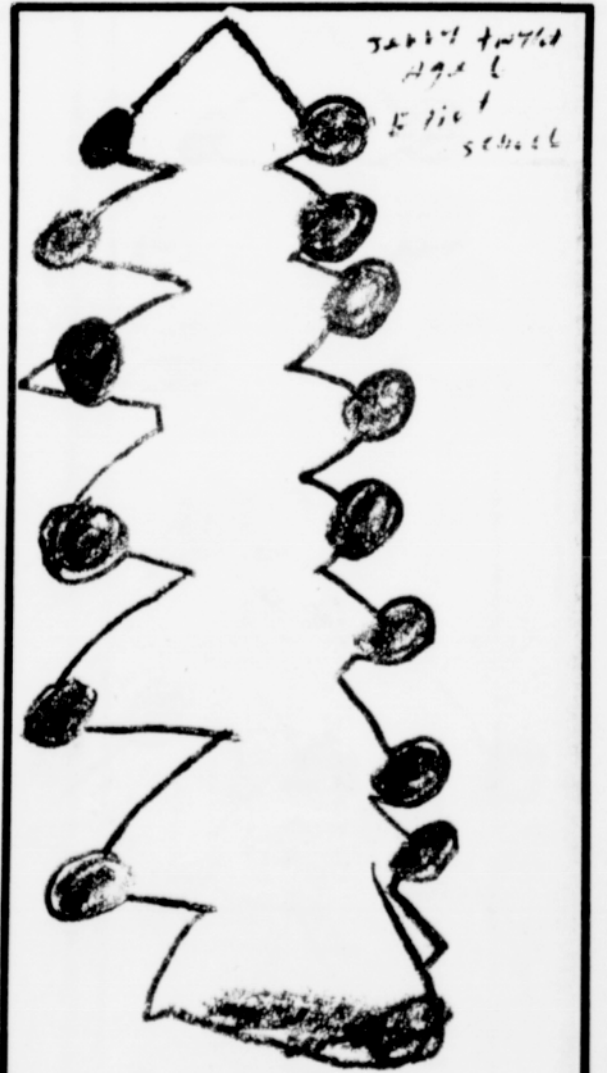

Anthony Young
Boise School

CHRISTMAS IS...

Winter is when you get to go outside and play anything you want, like having snowball fights. On T.V. you see the pros playing football in the snow. In the winter people can ride on a sleigh with a horse pulling it, and stuff like that.

PLUS, Christmas comes in the winter! That's what I like about the winter.
