

OBSERVATIONS FROM THE SIDELINES

By Kathryn H. Bogle

Best show ever! Beautiful, fun evening. Saw all my friends. Had a real good time. These were the parting words heard over and over Friday night, when patrons of the Ebony Fashion Fair filed slowly out of the Hilton Hotel ballroom following the tenth presentation of the Johnson Publishing Company's traveling extravaganza in Portland.

Tired but happy hostesses, members of the Links, Inc., thanked their equally tired spouses, and the general public for making the evening the financial success it became. Representatives of agencies receiving funds were: Ron Herndon, for the Black Educational Center; Vernon Chatman for the Educational Fund of the Portland Urban League; Mrs. Vincent Dean received for the visiting Nurse Association; Ernest Hartzog was designated to receive for the United Negro College Fund.

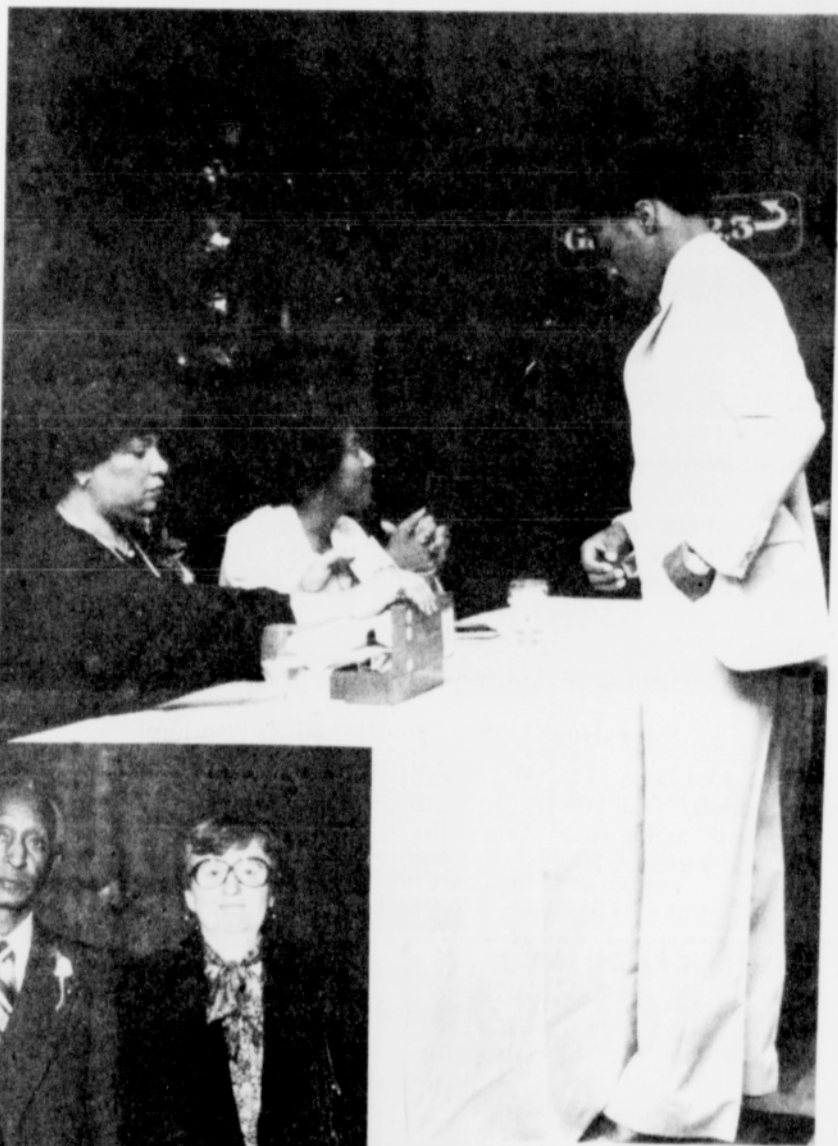

Co-chairmen for the successful event were: Link Bernadette Plummer and Link Jacquelyn Brown. President of the Portland Chapter is Link Clementyne Guy.
