

# Boise students want new playground

The Boise Elementary School playground has been a problem to Boise students. Covered with blacktop, the play area consists of chinning bars, monkey bars and a leather ball pole.

The third and fourth grade class of Miscelle Antonell and Ron Dieu made a survey of the playground, then wrote their recommendations for improvement:

LOU XIONG

Dear Mr. McCrea,  
I thought about the way the playground should be. So our class had a circle meeting and talked about it. Then I said, that we need some swings and basketball courts, baseball field, covered area, and some pretty flowers for the girls.

Sincerely,  
Robert Blake  
Room 100-101

Dear Mr. McCrea,  
Will you put a funhouse on the playground like we have in the park and some grass and a fire pole?  
Because I want the school playground to be looking good. And put trees and flowers and swings and teeter-totter.

With love to Mr. McCrea

TONY HUMPHRIES

Dear Mr. McCrea,  
We want a new playground. We want some grass, so we can do flips, lay and talk to our friends. And we want a slide. We want a merry-go-round.

We all want a kickball and baseball field on dirt, so we can play good. And put pad bases on the dirt. If this dream comes true, would you put a soccer court, and a tennis court?

Jeremie

Dear Mr. McCrea,  
I wish it had a fun house and a merry-go-round, but we don't have it here. In my dream it had a whole new playground and it had a sandbox, and a fire pole, and a telescope like in the parks. I wish they had little flowers for little kids, and a little play slide and grass and wood. And a whole lot of construction.

Jeffrey Gibson.

P.S. Mr. Dieu and Miss Antonell's class.

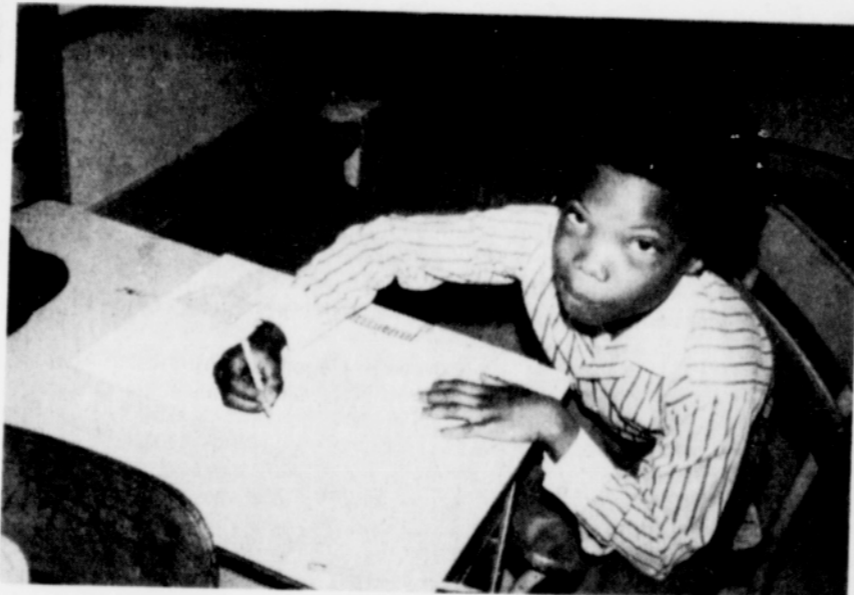

ANTRONETTE ROBINSON

Dear Mr. McCrea,  
I would like to have some good things and I would like to help take good care of it. We would like to have a drinking fountain and some grass, and sandboxes and some monkey bars and some flowers, a teeter-totter and a slide and hopscotch squares.

From Chree Hill

Dear Mr. McCrea,  
I want some grass so I can lay on it. I can't lay on blacktop. I want some trees so I can lay under. I want a slide so my friends and I could slide together. And some flowers so we could smell them. And a sandbox for the kindergarteners to play in. And a covered area so when it rains we could not get wet.

Melanie Dixon

ANTHONY YOUNG

Dear Mr. McCrea,  
I will like some grass, so I can do cartwheels, and I can talk to my friends, and I can enjoy lying in the sun.

I would like to have drinking fountain, so when I want to get a drink I can get one. And I would like to have a funhouse, so I can play with my friends in the funhouse and I would like to have some flowers, so I can smell the flowers when I am lying in the grass.
