

"When I go shopping, I like to shop at the best places in town. I've tried them all. Then one day, while reading the "Portland Observer," I saw an ad for Jantzen Beach Center, so I decided to take my family shopping there. I was very pleased. From now on, I will do all of my shopping at Jantzen Beach Center. By the way, I'm going to Jantzen Beach Center early, so I can pick up my copy of the coupon clipper before they run out.

"Thank you 'Jantzen Beach Center,' and thank you 'Portland Observer'."
