**I FIND MYSELF**

Sometimes I find myself  
Struggling so hard  
to attain something.

There are many things  
I wish to attain

But I've learned  
That it is not always  
Within the struggling  
That I attain them

It is during the calm  
and  
The peace  
When I am at rest  
I realize  
I have already attained  
something.
