SECOND NOTICE OF HEARING

Notice is hereby given that a public hearing will be held by the Tri-COUNTY Metropolitan Transportation District of Oregon (Tri-Met) at the Water Service Building Auditorium, 1800 S.W. Sixth Avenue, Portland, Oregon, at 10:00 a.m., Monday, June 8, 1981, for the purpose of considering projects for which financial assistance is being sought from the Urban Mass Transportation Administration, pursuant to the Urban Mass Transportation Act of 1974, as amended, generally described as follows:

Section 5 of the Urban Mass Transportation Act of 1964, as amended, provides federal operating assistance to Urban Mass Transportation systems, whereby the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) is eligible to receive federal funds for operating assistance for fiscal year 1981-82. This project is included in Tri-Met's program of projects for fiscal year 1981-82 and is part of the MSD transportation development program.

The project is to consist of transportation services provided by Tri-Met for the counties of Clackamas, Multnomah and Washington. Special needs of the elderly and handicapped are addressed in the grant application. No persons, families, or businesses will be displaced by this project. The project will have no significant environmental impact upon the service area.

At the hearing, Tri-Met will afford an opportunity for interested persons or agencies to be heard with respect to the social, economic and environmental aspects of the project. Interested persons may submit oral or written evidence and recommendations with respect to the project.

A copy of the application for a federal grant for the project, together with an environment impact assessment is available for public inspection at the Tri-Met office, Planning & Development Department, 4012 S.E. 17th Avenue, Portland, Oregon.

One copy may be obtained by prequalified prospective bidders upon receipt of cash or check in the amount of \$50.00 made payable to the Engineer. Deposits made upon procurement of drawings, specifications, and forms of Contract Documents will be refunded upon the return thereof in good condition by actual bidders within the ten days after the opening of bids. Non-bidders deposit will be refunded if documents are returned, in good condition, no later than 15 days from date of bid opening. Deposits retained will cover cost of printing. Individual sheets and specifications pages may be purchased for the cost of reproduction: Drawings, \$1.00 per sheet; Specifications, \$0.25 per sheet.

Bidders must pre-qualify with Owner, on Standard APWA Prequalification forms, ten (10) days prior to bid opening. Prequalification forms may be obtained from, and should be submitted to the Engineer. If a prequalification form is on file with the Engineer and is not over one year old, re-filing is not necessary unless there has been a substantial change in Contractor's status.

The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause," the "Standard Federal Equal Employment Opportunity Construction Contract Specifications," and "Section 3" Requirements set forth herein.

The Contractor's compliance with the Executive Order and the regulation of CFE Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligation required by the specifications set forth in 41 CFR 50-4.3(a), and its effort to meet the goals established for the for the geographical area where the contract resulting from this solicitation is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract and in each trade and the Contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor goals shall be a violation of the contract, the Executive Order and the regulation in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

The Contractor shall provide a written notification to the Director of the Office of Federal Contract Compliance Programs within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier of construction work under the contract resulting from this solicitation. The notification shall list the name, address and telephone number of the subcontractor, employer identification number, estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract, and the geographical area in which the contract is to be performed.

As used in this notice, and in the contract resulting from this solicitation, the covered area is the Coos Bay area.

Prospective Contractors for work in connection with Section 3 covered projects will be required to provide, prior to signing of the contract, a preliminary statement of work force needs (skilled, semi-skilled, unskilled labor and trainees by category) where known, where not known, such information shall be supplied prior to the signing of any contract between contractors and their subcontractors.

This project is being financed by Community Development Block Grant Funds from the Department of Housing and Urban Development. Coos County is the recipient of the funds in behalf of the Charleston Sanitary District and Coos County is responsible for administration of the grant funds.

The Owner reserves the right to reject any or all bids and to waive all informalities. No bidder may withdraw or modify his bid after the hour set for the opening and thereafter until the lapse of sixty (60) days from the bid.

Beryl Taylor, President

SECOND NOTICE OF PUBLIC HEARING
