Second Notice of Hearing

Notice is hereby given that a public hearing will be held by the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) at the Water Services Building auditorium, 1800 S.W. Sixth Avenue, Portland, Oregon, at 10:00 a.m., Monday, January 25, 1982, for the purpose of considering a grant amendment application for the Banfield Light Rail Project. This amended application incorporates by reference all of the exhibits in the original grant application and includes an amended budget and an enlarged scope of work which incorporates transit related highway improvements.

The total project cost is \$282,482,750 of which \$239,554,087 is the federal share, which includes \$230,654,087 of Interstate Transfer funds under the provisions of 23 USC 103(e)(4) and \$8,900,000 of Section 3 Capital funds under 49 USC 1602. The local share is \$42,928,663.

There will be significant environmental impacts as a result of this project. These impacts and mitigation measures are detailed in the Final Environmental Impact Statement which is available for public inspection at the address listed below. The project is in conformance with and is a part of the Transportation Improvement Program of the Metropolitan Service District (METRO), and is in conformance with the comprehensive land use planning for the urban area. Persons, families, and businesses will be displaced by this project. The project has undergone review by the A-95 Clearinghouse.

At the hearing, Tri-Met will afford an opportunity for interested persons or agencies to be heard with respect to the social, economic and environmental aspects of the project. Interested persons may submit oral or written evidence and recommendations with respect to the project.

A copy of the grant amendment application is available for public inspection at the Tri-Met office, 4012 S.E. 17th Avenue, Portland, Oregon.
