Notice of Public Hearing

Notice is hereby given that two public hearings will be held by the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) in the auditorium of the Bonneville Power Administration, 1002 N.E. Holladay Street, at 12:00 noon and at 7:30 pm on Wednesday, April 21, 1982 to receive public comment on proposed bus service changes which will affect passengers in northwest, north, northeast, and southeast Portland, and along River Road in north Clackamas County. This is a modification to the original service improvement program which was adopted by the Tri-Met Board of Directors on September 28, 1981, and which has received previous public comment.

Included in these changes is the establishment of a grid-type system within north, northwest and eastside Portland on September 5, 1982. This network will involve the restructuring or elimination of existing inefficient routes as well as the addition of new crosstown routes. Improved service frequency will be provided on key urban routes, seven days a week, to handle passenger volumes and transfers inherent in a grid type system.

Written or oral comments may be submitted in advance of the hearings to the Board of Directors, Tri-Met, 4012 S.E. 17th Avenue, Portland, OR 97202, or at the hearing. Further information concerning the proposed changes may be secured from the Service Planning Department, Tri-Met, 4012 S.E. 17th Avenue, Portland, OR 97202.
