## READ STREET BEAT FOR PUBLIC OPINION ON THE LATEST ISSUES

Victim of crime, now serving 20 yrs. on a max. sec. hell hole.

Yes, I believe in God & somehow I will continue the faith till Armageddon.

Yet still this terrible captivity has taken a terrible toll upon me.

Guards & prisoners are 2 of a kind & that leaves a lot to be desired.

I must constantly be exposed to: smoke, stench, filth, yelling, radios & a T.V.

For most people that sounds like fun, but not for this righteous person.

I would so much like to get in contact with other decent people.

Also a bed-ridden life is a hellish existence. Lying in bed is the only regular activity here in this hell hole.

I would say more but I have been censored before many times, so I will be happy to get even this much out to the public.

Thank you,
