CITY OF WOOD VILLAGE
CITY MEASURE
PROPOSED TAX BASE FOR CITY OF WOOD VILLAGE

51 QUESTION: Shall a new tax base of $67,059.00 be established for the City of Wood Village commencing July 1, 1982? — YES / NO

PURPOSE: The City of Wood Village provides various municipal services and governmental functions to and for the residents of the City, including water service, sewage collection, street maintenance, lighting, zoning, building and municipal ordinance enforcement. The present City tax base is $12,015.00 for the current fiscal year 1981-82. In the unanimous opinion of the City Council, in order to permit the proper operation of City affairs, to enable it to continue to provide the municipal services and governmental functions as in the past, meet the increased costs occasioned by inflation, City growth and development, a new tax base is needed and is proposed for the City in the amount of $67,059.00, commencing with the 1982-83 fiscal year of the City, beginning July 1, 1982, in accordance with Article XI, Section 11, of the Oregon Constitution.

OFFICIAL BALLOT FOR MULTNOMAH COUNTY SPECIAL DISTRICT ELECTION
MAY 18, 1982
Stub No. _____ INV. NO. _____
THIS STUB TO BE REMOVED BY ELECTION BOARD

MT. HOOD COMMUNITY COLLEGE
TAX BASE FOR COMMUNITY COLLEGE EDUCATIONAL PROGRAMS

26-7 QUESTION: Shall a new tax base of $10,427,016 be authorized for continuing educational programs at Mt. Hood Community College? — YES / NO

PURPOSE: Mt. Hood Community College offers vocational, lower division transfer, and continuing education courses to more than 20,000 adult students each year at a cost per student less than the state average for community colleges and public schools. These programs are financed by state aid, student tuition and fees, local property taxes, and other sources. The college's current tax base authority of $6,350,667 is not sufficient to meet current program needs, despite significant increases in tuition and fees, because of increased costs and reduced state aid.

For 1982-83, the operational budget of the college will require only $8,372,305 of this authority to be levied.

Now that enrollment has stabilized, the new tax base will permit existing programs to continue at present levels.

RIVERDALE SCHOOL DISTRICT NO. 51JT.
ELECTION TO ESTABLISH A NEW TAX BASE

26-8 QUESTION: Shall School District No. 51-315 Jt. establish a new tax base of $1,448,900 effective July 1, 1982? — YES / NO

PURPOSE: The district currently has a tax base of $868,600. The proposed amount of the new tax base is $1,448,900. This proposed tax base will permit the District budget for the maintenance and operation of the District educational programs for six years, based upon the percentage the budget has increased over the past six years. Its passage will avoid the necessity of costly special elections to approve the annual District budget.

GRESHAM GRADE SCHOOL DISTRICT NO. 4
TAX BASE FOR GRESHAM ELEMENTARY DISTRICT NO. 4

9 QUESTION: Shall a new tax base of $6,901,985 be established for Gresham Grade School District No. 4, Multnomah County? — YES / NO

PURPOSE: This measure establishes a $6,901,985 tax base pursuant to Article XI, Oregon Constitution, replacing an existing $1,241,874 tax base. The measure grants permanent tax levy authority and authorizes the board to levy not more than $6,901,985 beginning fiscal year 1982-83. In future years the levy can be increased a maximum of 6% each year without voter approval.

The District offers public education to approximately 5400 students, grades K through eight. Estimated operating expense for 1982-83 is $13,937,519. The district cannot operate without property tax income. The current tax base of $1,241,874 does not meet operating needs. The proposed new tax base of $6,901,985 would balance the 1982-83 budget. Without an adequate tax base, the district must submit special levy requests each year at special elections. It is expected that this tax base levy will ensure continuity of the educational program and reduce the number of special elections.

GRESHAM UNION HIGH SCHOOL DISTRICT NO. U2-20JT
TAX BASE FOR GRESHAM UNION HIGH SCHOOL DISTRICT U2

26-10 QUESTION: Shall a new tax base of $7,171,734 be established for Gresham Union High School District U2-20JT, Multnomah and Clackamas Counties? — YES / NO

PURPOSE: This measure establishes a $7,171,734 tax base pursuant to Article XI, Oregon Constitution replacing an existing $1,825,656 tax base. The measure grants permanent tax levy authority and authorizes the board to levy not more than $7,171,734 beginning with fiscal year 1982-83. In future years the levy can be increased a maximum of 6% each year without voter approval.

The District offers public education to approximately 3100 students grades 9 through 12. Estimated operating expense for 1982-83 is $11,879,745. The district cannot operate without property tax income. The current tax base of $1,825,656 does not meet operating needs. The proposed new tax base of $7,171,734 would balance the 1982-83 budget. Without an adequate tax base, the district must submit special levy requests each year at special elections. It is expected that this tax base levy will ensure continuity of the educational program and reduce the number of special elections.

PORTLAND SCHOOL DISTRICT NO. 1
REVISED TAX BASE TO MAINTAIN BASIC EDUCATION FOR PORTLAND'S CHILDREN

26-11 QUESTION: Shall Portland school tax base be revised tax base of $150,747,080. — YES / NO

PURPOSE: Replaces one-year levies approved last year and the old, inadequate tax base with a revised tax base of $150,747,080.

Provides funds for operating expenses including teachers, textbooks, supplies and maintenance to maintain basic education for 32,400 Portland children.

Ensures that 100% of the Portland School District levy qualifies for State property tax relief.

Explanation: Despite recent reductions in levels of administration and classroom support, inflation and reduced levels of State and Federal support require a revised tax base to prevent a major decline in the quality of education for Portland's children.

Voters last revised the tax base back in 1968. In 1981-82, the base was $92,364,976. That same year voters approved additional levies of $25,781,914; of that amount, 84.5% did not qualify for property tax relief.

This measure will increase the property tax rate which will be partially offset for many homeowners by State tax relief. — YES / NO

CORBETT SCHOOL DISTRICT NO. 39
SCHOOL TAX BASE, PARTIALLY STATE FINANCED

12 QUESTION: Shall a new tax base of $1,650,000 be established for Corbett School District No. 39? — YES / NO

PURPOSE: This measure establishes a $1,650,000 tax base pursuant to Article XI, Oregon Constitution, replacing an existing $1,300,000 tax base. The measure grants permanent tax levy authority and authorizes the school board to levy not more than $1,650,000 beginning with the fiscal year 1982-83. In future years, the levy can be increased a maximum of 6% each year without voter approval. The Corbett School District offers free public education for 820 children from kindergarten through grade 12. Estimated operating expense for 1982-83 is $3,066,213, of which 46% comes from local property taxes, 41% from state contributions and 13% from other sources. The district cannot operate without property tax income. It is expected that a tax base levy will ensure continuity of the education program, help stabilize school finance and reduce the number of special elections. A tax base levy will be financed partially by the State of Oregon. — YES / NO

DAVID DOUGLAS SCHOOL DISTRICT NO. 40
DAVID DOUGLAS SCHOOL DISTRICT #40 TAX BASE ELECTION

13 QUESTION: Shall a new tax base of $18,760,908 be established for David Douglas School District No. 40, Multnomah County? — YES / NO

PURPOSE: This measure establishes a $18,760,908 tax base pursuant to Article XI, Oregon Constitution, replacing an existing $8,387,990 tax base. This measure authorizes the School Board to levy not more than $18,760,908 beginning with fiscal year 1982-83.

It is the intent of the School Board to stay within this tax base for at least three school years. If the tax base is approved the cost to tax payers in the first year is estimated at 22¢ per $1,000 more than the current rate.

This new tax base will:
- provide program stability for the 6,255 children in David Douglas schools.
- maintain accountability in the budgeting process as directed by Oregon Law.
- reduce district costs in planning and preparing for special annual operating elections.
- reduce homeowner property taxes by assuring the total amount of the annual school budget tax levy is eligible for state property tax relief. — YES / NO

REYNOLDS SCHOOL DISTRICT NO. 7
TAX BASE PARTIALLY STATE FINANCED

14 QUESTION: Shall a new tax base, partially State financed, of $11,221,155 be established for Reynolds School District No. 7 Multnomah County? — YES / NO

PURPOSE: This measure establishes a $11,221,155 tax base under Article XI, Oregon Constitution, replacing the existing $9,478,353 tax base. It grants permanent tax levy authority and authorizes the school board to levy not more than $11,221,155 beginning fiscal year 1982-83. The levy can be increased a maximum of 6% each year thereafter without voter approval. This levy will help finance district educational programs.

The District provides free public education for 6,400 students, kindergarten through twelfth grade. The 1982-83 proposed operating budget is $19,596,711 of which 29.8% comes from State contributions, 14.7% from miscellaneous sources, and 55.5% from local property taxes. Property tax income is required to conduct adequate programs. A tax base limits the amount a board can levy each year. The tax base will continue programs and stabilize school finance. It will be partially financed by the State, and will finance the 1982-83 budget approved by the citizen budget committee. — YES / NO

TEXT OF STATE AND COUNTY MEASURES
PRIMARY ELECTION
MAY 18, 1982

STATE MEASURES
REFERRED TO THE PEOPLE BY THE LEGISLATIVE ASSEMBLY

1 USE OF STATE BOND PROCEEDS TO FINANCE MUNICIPAL WATER PROJECTS
QUESTION: Shall the state lend funds it may now borrow to towns and communities for building water projects for municipal use?
PURPOSE: Amends state constitution. The law now permits the state to borrow in an amount up to one and one-half percent of the true cash value of all property in the state to fund secured loans for building irrigation and drainage projects. Measure would permit up to half of these funds to be lent to towns and communities of less than thirty thousand persons to pay for the building of water projects for municipal use.

2 MULTIFAMILY HOUSING FOR ELDERLY AND DISABLED PERSONS
QUESTION: Shall loans be made under elderly housing program for housing for disabled persons? Shall low income restriction be repealed?
PURPOSE: Amends state constitution. At the present time, the state may sell bonds to make loans to finance multifamily housing for low income elderly persons. The measure repeals the low income restriction. This measure also allows loans for multifamily housing for disabled persons. It also permits state loans to elderly persons to buy ownership interest in single units of multifamily housing. It does not increase the bonding authority of the state.

3 STATE BONDS FOR FUND TO FINANCE CORRECTIONS FACILITIES
QUESTION: Shall state sell general obligation bonds for fund to finance state, regional, county or city corrections facilities?
PURPOSE: Constitutional amendment would permit state to sell bonds for fund to finance acquisition, construction, equipping or improvement of state, regional, county or city corrections facilities. Bond issuance not to exceed $60 million. Requires legislature to provide for payment of bonds.
ESTIMATE OF FINANCIAL EFFECT: This proposed amendment authorizes the issuance of general obligation bonds in an amount not to exceed $60 million for the purpose of creating the Corrections Building Fund. The principal and interest for these bonds will be repaid from the state general fund.

4 RAISES TAXES ON COMMERCIAL VEHICLES. MOTOR VEHICLES FUELS FOR ROADS
QUESTION: Shall truck and other commercial vehicle taxes and motor vehicle fuel taxes be raised for road repair, improvement and construction?
PURPOSE: The measure would raise commercial vehicle highway taxes an average of 12.5 percent this July 1, 11.1 percent on July 1, 1983, and 10 percent on July 1, 1984. The state tax on gas and other motor vehicle fuels is now 8¢ per gallon. This measure raises this tax by 1¢ per gallon on each of these three dates. Use of these funds is limited by the Oregon Constitution to road repair, improvement and construction.
ESTIMATE OF FINANCIAL EFFECT: This measure will increase revenue to the Highway Fund by $20.6 million in fiscal year 1982-1983; $42.3 million in fiscal year 1983-1984; $65.2 million in fiscal year 1984-1985. Distribution of this revenue will be made as follows: 67.76 percent state government; 20.87 percent county governments; 12.17 percent city governments.

5 GOVERNOR TO APPOINT CHIEF JUSTICE OF OREGON SUPREME COURT
QUESTION: Shall Chief Justice of Oregon Supreme Court be appointed by Governor, instead of by judges of court?
PURPOSE: This measure proposes that Oregon Supreme Court judge who is also Chief Justice be appointed as such by the Governor, instead of by
