

# FASHIONS

## Fall brings out special pants suits

A cream colored, pleated silk pants partner with versatile banana cashmere jacket with high neckline, loose waist. An eggshell, one-piece silk winduppane jumpsuit is raglan-sleeved and waist-tied for fashion... and simply constructed for comfort and ease of movement.

## Small fashions for back to school

This young scholar is sure to be the prettiest girl in class in an authentic tartan plaid jumper with a raised waist and softly gathered body... the whole held by adjustable straps for growability. It's supple and unstructured and proportioned well for young bodies.

Her blouse is prettily edged with eyelet at cuffs and collar, and the two make a fashion trip to school or parties with never a ruffled look. Her friend is dressed up with quilted flowers applique an interlock top that mates with the quilted jumper. The lace bib edging makes this a quilted standout, while adjustable buttons and set-in waistband ties create a natural, growable outfit.

## Heard about the Cervical Cap?

The Cervical Cap is an effective barrier method of birth control. It is a thimble shaped cap made out of rubber which fits tightly over the neck of the cervix, preventing sperm from entering the uterus. They were used in this country years ago, but have not gained popularity until recently. They have been used for years successfully in Western Europe. Call us for more information.
