

HAPPENINGS

Comedian LeRoy Daniels

Z.Z. Hill and LeRoy Daniels will be at Lung Fung's Fri., Oct. 15th for two (2) shows, 8 pm & 11:15 pm, 8001 S.E. Division. Tickets on sale now at Lung Fung and at House of Sounds. Tickets \$12.00.

Man Of The Hour

Z.Z. Hill has been on the recording scene since the early sixties. During that period Z.Z. has had his share of hits such as "You Were Wrong," "Second Chance," "Don't Make Me Pay," "Mr. Nobody," "Love Is So Good When You're Stealing It," plus many others. After more than twenty years as a recording artist, the biggest break came for Z.Z. when he signed his current contract with Malaco Records. The first album Malaco released had some hits—"Bump and Grind," "Separate Ways," and "Blue Monday Blues." The second and current album, *Down Home*, has already sold more than half a million copies and is still selling.

There is little doubt that the *Down Home* album will be the number one blues album of the year. Every cut is a potential single hit. "Cheating In The Next Room," and "When Can We Do This Again," have already made it as singles. "Down Home Blues" is the kind of blues album a blues lover can relate to. The one song on the album that is as bluesy as you can get is "Everybody Knows About My Good Thing."

Z.Z. has been a long-time favorite in the South. He has recently signed a long-term promotinal deal with Don Johnson of D.J. Productions to handle his engagements from Tucson to Seattle. Johnson is number one in the West for blues.

From Rock 'n' Roll to the Rock of Ages

The international star and king of Rock 'n' Roll, Little Richard, who several years ago gave up "show business" for "God's Business" will be in Portland for a "Youth Crusade," October 8, 9 and 10th at the Northwest Service Center (corner of Everett and 19th N.W.). Many will remember the flamboyant star for his recordings of "Long Tall Sally," "Good Golly Miss Molly," among many others. He was the great influence in the music of the late Jimi Hendrix, The Beatles, Mick Jagger and the Rolling Stones, and more renowned artists.

Little Richard will be in the Portland area letting the youth know that a life of drugs, drink and corruption, which he has rejected, will only lead to heartaches and headaches.

Come out Friday, Saturday and Sunday at 7 pm, to hear Little Richard tell of God's Amazing Grace and let all know our hope is not in the White House, but in God's house.

Free—everyone welcomed. Local ministers and choirs will participate.
