Merry Christmas to all

Christmas is a very special day. Christmas is when people share, their love and presents.

Christmas is about songs, and dance.

Christmas is about good food and good cheer throughout the year.

This is what Christmas means to me and my family.

Merry Christmas to all, and to all a good night.

What Christmas means to me

Christmas means getting toys and gifts. But most of all, it is the birthday of someone special. Someone who cares for us was born that day. If we get gifts and toys we should thank who bought them and thank that person. Christmas should be remembered as Jesus' birthday. We should tell Him Happy Birthday.

Terry Jackson

Christmas is the day that Christ was born. The reason Christmas is here is because the three wise men gave Jesus gold, fur, clothes and that's how Christmas started and that's why people buy presents and trees on the 25th of December.

The End.

Christmas is here

Christmas is here!
Santa came on his little reindeer.
Now he's left, and gone away,
But he'll be back next Christmas day.

Anthony Deloney

Christmas is a time of year
To share the love of the holiday,
To give thanks and spread cheer
And to go to church and pray.

Christmas is a time of year
To appreciate what you've got.
So as Christmas draws near
Don't think about all that you have not.

Christmas is the time of year
To be happy, so on this special day
Be sure to lend an ear
To try and make someone else's day more gay.

White Christmas

Christmas is almost here!
It's snowing all over the town,
It fills up all the streets.

Anthony Deloney

Dear Santa Claus,
I have been good and sometimes a little bad, but please forgive me! Please bring me some more toys this year. I'll leave you some coffee on the table when you go down the chimney,

Love,

Melita Clardy

P.S.—Please! Leave something in my stocking.

Christmas Poem

Christmas bells are ringing,
Jingle bells are ringing.
Ding-a-ri-ri-ri-ri!

Melita Clardy

Dear Santa Claus,
This is Leslie Bryant from Portland, Oregon. I want to tell you what I want for Christmas. I want that doll that I saw at the P.X. And I want about 3 or 4 pairs of clothes for my baby doll. Now Santa when I said I wanted some clothes for my doll I meant for my small doll.

Leslie Bryant

Dear Santa,
I like you very much. I will be good so you will give my Pac-Man game and a Miss Pac-Man. Santa did you put some money in my house?

Snow

I like the snow because it's cold and shivery. I like how it doesn't hurt when school kids have snowball fights.

It's almost Christmas

When Christmas comes this year, I'm going to jump, shout and cheer. Since it only comes once a year. When Christmas goes, no more mistletoes. No more trees in the window that light up the night. No more getting presents all thru the day. No more staying up late to play. So when Christmas comes jump and shout but for heaven's sake don't pout!

Dear Santa Claus,

You are a nice person. Thank you for everything you give everybody. One of these days I'm going to come and see you. I want to be one of your elves. Is it very cold up there? I bet it is fun up at the North Pole. I hope your wife is O.K. up in that cold weather. Next Halloween I'm going to be Santa Claus. Santa Claus, this is what I want for Christmas: I want a pro football, a baseball, a leather basketball. Have a merry Christmas!

Christmas

One day I woke up. I didn't know it was Christmas Eve. I was so surprised, I hit my toe on the table. Ouch! I said. I better get my clothes on. Wow, I said! Time flies. I went outside to get my Porsche started. I'll go to Lloyd Center to buy some presents. I bought a model Porsche for my Mom, a watch for my Dad, a chain for my Grandmother, some catnip for my cats, and that's all. I went to the hotel. It is Christmas morning. We opened all our presents. We were all happy for God's gift to us that was Jesus. Then we went home.

Joseph Buxton

I love Christmas because we gave our teacher Mrs. Vogel a present. I wish Santa Claus came and woke me up last night. I might dream about it.
