Dear Santa,
How is your wife, Mrs. Claus? How is the North Pole? I've been very good this year. Don't put yourself in a lot of trouble. I'd like the pac-man board game, and Annie rag doll. My friend's doll is an idea. I could use a Grabbin' Dragon. I'd like conspiracy. I'd play an Annie tape. But most of all I'd like a doll from the world collection. It is a French doll.

Love,
Corey Capers

Dear Santa,
I am a good girl. I like to eat pizza and lots of things and in school I do very good but not all the time. For Christmas I want video games like pac-man and donkey kong and Frog-ger't and a sled.

Dear Santa,
I have got in two fights in school. I was bad. I don't expect a lot of toys. But my sister was the one that should get all the toys. I'm sorry for being bad. Would you forgive me? You know what I want to be when I grow up? I want to be a famous singer. My mom is going to have a baby. What would you like her to have, a boy or girl? How is Mrs. Claus and the elves? Oh, I almost forgot, how's Rudolph? Does he have a lot of batteries for his nose? I really don't want a lot of toys but you must know what I want for Christmas. Santa, I love you. In January I will be nine years old. How old are you?

I will put cookies in the living room. Would you like some milk? Santa, when you come will you wake me up? I want to get a ride in your sleigh. Don't forget! I'll be waiting for you.

Thank you.

Your friend,
April

Dear Santa,
How are you? How is Elfie? What would happen on Hanukkah because they celebrate on Christmas eve? So how do you do it? How is Mrs. Claus. Did you get your memory back, because it is almost Christmas. I don't want too much, only clieco vision. Remember, whenever you hear a bell then an angel gets its wings.

What I would Like To Be When I Grow Up

I would like to be an Artist. I would do paintings and drawings of things. I would be in different places and do drawings. I love to draw at home. I draw all kinds of stuff. I draw snakes, bugs, houses, cars, people and stuff like that.

Dear Santa,

How have you been doint? I am a very good math student. I am pretty good at reading. I got a table-top pac-man for Christmas last year. I would like a pac-man board game, a table top donkey kong scramble and would you like me to leave some cookies and look on the top of our refrigerator and there will be some fruit and if you buy me a pac-man baord game I would take turns playing it with my mother and father. If you gave me a table-top donkey kong I would not be mean and not share it. I would share it with my friends and when my cousins came over I would not be mean when my friends were over if I had a table-top scramble game.

Harry Villa

Dear Santa,
I'm making cookies and I would like to know how many you would like. I have been thinking about Christmas and I like gifts and everything. I really think that Christmas is when Jesus was born and a time to worship God. So that is what I think Christmas is all about. Before I end this letter Santa bring me a baby doll.

Santa Claus

He's dressed in red from toe to head.

He comes back each December.

His beard is white—a jolly sight.

He's Santa Claus

Remember? I think it's nice at Christmas time to play I'm Santa Claus, and help make others happy by giving things, because it must be very, very hard for just one little man to visit every single child. I don't see how he can.
