Christmas is...
Christmas is a time of year
to sing to people and with
them cheers.
To give gifts and receive
them too.
To be with those close to
you.
Christmas can mean lots of
things.
The colors are red & green.
Christmas could mean a gift
someone brought.
It could also mean sharing
your thoughts.
Christmas means loving &
SHARING.
It also means caring.

Christmas

Christmas time is here,
The time you hear reindeer.
Our stockings are hung,
The tree is done,
Our hopes are getting
brighter
For a doll or toy fire fighter.
The crowds around town
are mighty mean.
Only kids sit and have a
daydream.
The kitchens smell of
delights,
But not for kids in fights.
The house is decorated with
the joy of Christmas,
For the day, not far away,
When the gifts
Will be given away.

I looked in my stocking,
nice and tall;
I found the gift that was
best of all,
It wasn't candy, or a doll,
It wasn't an ornament, or a
ball,
It wasn't anything, big or
klonky,
Like an elephant or a
donkey.
It was something small and
nice.
No, it wasn't dice.
It wasn't a bird that flew.
It was a piece of paper that
said "I love you."

The Fat Snow Man

Every Christmas and when
it snows I go out and make
one—a small snow man, even
a big one too. We have
snowball fights when we
lived in Battle Ground. Last
year we made a little little
snow man. We made a little
hat. It looks just like this
one but smaller. We put it
on the car. It stayed on the
car until we got home.

I want to wish all of you a
Merry Christmas and a very
happy New Year. I hope
Christmas is going to be a
time for you to give thanks
to the Lord for giving us
this day. This is all I want to
say.

Merry Christmas and
Happy New Year!

Christmas

Christmas is a time for
giving, sharing and caring.
Some people don't think
about caring nor sharing,
but all they think about is
getting up opening presents,
but if you ask me I think it's
a time for...

CARING!!!

Christmas Night

It was Christmas night. I
could not get to sleep. I
tried and tried to go to sleep
but I could not get to sleep,
and after a stopped trying I
fell asleep. I woke up and it
was Christmas. I had a lot
of Christmas things waiting
for me and I was happy that
I fell asleep.
