Dear Santa Claus,

I think I have been quite lucky and very fortunate this year. So when you and your little helpers begin your annual flight, think not of me, although I have been extremely good, but of the poor, the needy and the less fortunate who rarely even have a Christmas. It would be great if these people have a wonderful time with their families, friends and gifts. For Christmas I don't believe things like cars, a lot of money and stereos are necessary. We are supposed to have a spirit of giving, so I hope these people receive a nice Christmas for a change. This would be the best Christmas present I could ever get. I know this is a large order, but please try. Thank you.

Very sincerely,
