

We shall overcome

Washington, D.C., 1963

REVOLUTIONARY

"These are revolutionary times. All over the globe men are revolting against old systems of exploitation and oppression and out of the wombs of a frail world new systems of justice and equality are being born. The shirtless and barefoot people of the land are rising up as never before. 'The people who have sat in darkness have seen a great light.' We in the West must support these revolutions."
