**28 years of continuous service to the Portland community.**

We are among the very few Black owned business' that can make that claim.

We first offered our service to this community December 26, 1954. As we begin our 29th year of service, we salute the many fine families who through the years have helped us to be successful.

We are committed now as we were then to provide first class service at a fair price to all who call us for service.
