### City of Portland HCD Public Hearings

Two public hearings have been scheduled to accept public testimony on the proposed Housing and Community Development Program for fiscal year 1983-84.

The first will be held before the Portland City Planning Commission on Tuesday, March 8 at 7:30 p.m. in the Portland Building, 1120 SW Fifth Avenue, Second Floor Hearing Room.

If you are not able to attend, or would like to provide your comments in advance, send written comments directly to the Planning Commission:

Portland City Planning Commission  
1120 SW Fifth Avenue, 10th Floor  
Portland, Oregon 97204

Please identify the material as regarding the March 8, 1983 HCD hearing.

The second public hearing will be held before City Council on Wednesday, March 30 at 10:00 a.m., City Hall, 1220 SW Fifth Avenue.

Informational material will be available a week before each respective hearing at the Office of Neighborhood Association Area Offices, or by calling the Bureau of Community Development at 796-5159.

Mark S. Davis, Director  
Bureau of Community Development

### Request For Proposal

No. 83-286A

Notice is hereby given that the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) will receive proposals until 4:00 p.m. Pacific Standard Time on March 11, 1983, at 4012 S.E. 17th Avenue, Third Floor, Portland, Oregon 97202, Attention: John R. Post, Director of Engineering and Contracts. Proposals will be evaluated subsequent to the above time and date for:

September 5 Changes/Monthly Pass Evaluation

Successful proposers will be required to comply with all the applicable Equal Opportunity laws and regulations.

All proposers will be required to certify that they are not on the Comptroller General's list of ineligible contractors.

The Tri-County Metropolitan Transportation District of Oregon does not discriminate with regard to race, color, sex or national origin.

The Request for Proposal may be obtained from Beth Collins at 4012 S.E. 17th Avenue, Portland, Oregon 97202, Phone: (503) 239-6466.

Plans and specs may be viewed at Tri-Met offices in Portland.

An Equal Opportunity Employer

### NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held by the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) at the Portland Building, 1120 S.W. 5th, Meeting Room "D" (2nd Floor), Portland, Oregon at 10:00 a.m., Monday, March 14, 1983 for the purpose of considering projects for which financial assistance is being sought from the Urban Mass Transportation Administration under Section 3 of the Urban Mass Transportation Act of 1964, as amended.

The total project cost is \$5,145,000 of which \$4,116,000 is Federal share and \$1,029,000 is the local share. Projects included in the grant application are:

- 1) Engineering, construction and amenities for street, crosswalk and sidewalk improvements along the light rail alignment on Yamhill and Morrison Streets between 1st Ave. and 11th Ave. in downtown Portland. The total project cost is \$5,000,000. \$4,000,000 Federal; \$1,000,000 local share.)
- 2) Preliminary engineering to define the elements and assess environmental effects of a Vintage Trolley Project which is generally proposed to be a central city shuttle service to be provided by authentic, fully restored historic streetcars in revenue passenger operation on the Banfield light rail trackage between the Downtown terminal at S.W. 11th Ave., and a special trackage near Lloyd Center. The cost for preliminary engineering is \$145,000. (\$116,000 Federal; \$29,000 local share.)

No persons, families or businesses will be displaced by this project.

An environmental review has determined that the changes to the final environmental impact statement for the Banfield light rail project due to these projects do not result in significant environmental impacts and no supplemental environmental impact statement is required.

The projects are currently under review by the A-95 Clearinghouse and will be included in the FY '83 annual element of the regional Transportation Improvement Program.

In keeping with the Banfield light rail project in general, construction along the downtown light rail alignment will address the needs of the elderly and handicapped. Downtown station platforms will be concrete extensions of the sidewalks adjacent to track rights-of-way. Amenities such as widened sidewalks, curb cuts and benches will similarly promote accessibility to light rail stations and cars.

A statement of Tri-Met's proposed charter bus service is available for inspection at the Tri-Met Administration offices.

Tri-Met will not be engaging in school bus operations.

There will be no direct impact on private transportation enterprise by either of the projects.

At the hearing, Tri-Met will afford an opportunity for interested persons or agencies to be heard with respect to the social, economic and environmental aspects of the projects. Interested persons may submit orally or in writing evidence and recommendations with respect to said projects.

A copy of the application for a Federal grant for the proposed projects, together with an environmental analysis and the transit development plan for the area, and statement of proposed Charter service are currently available for public inspection at Tri-Met, Planning and Development Division, 4012 S.E. 17th, Portland, Oregon.
