Second Notice of Public Hearing

Notice is hereby given that a public hearing will be held by the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) at the Portland Building, 1120 S.W. 5th, Meeting Room "C" at 10:00 a.m., Monday, August 29, 1983 for the purpose of considering a grant amendment application for the Banfield Light Rail Transit (LRT) Project. This amendment proposes to add purchase of 7 light rail vehicles to the 26 already funded. No additional funding is requested for this project since it is covered within the funding levels established in the Full Funding Agreement for the Banfield LRT Project between Tri-Met and the Urban Mass Transportation Administration.

No persons, families or businesses will be displaced by acquiring 7 additional vehicles.

The acquisition of additional vehicles does not result in any adverse impact which would require a supplemental Environmental Impact Statement.

Accessibility for the elderly and handicapped to the light rail vehicles will be provided by wayside lifts on platforms at stations and space and tie-down arrangements within the vehicles will accommodate wheelchairs.

A statement of Tri-Met's proposed charter bus service is available for inspection at the Tri-Met Administration offices.

Tri-Met will not be engaging in school bus operations.

There will be no further direct impact on private transportation enterprise by the acquisition of 7 additional vehicles.

At the hearing, Tri-Met will afford an opportunity for interested persons or agencies to be heard with respect to the social, economic and environmental aspects of the projects. Interested persons may submit orally or in writing, evidence and recommendations with respect to the project.

A copy of the application for a Federal grant for the project, an environmental review, the transit development plan for the area, and a statement of proposed Charter services are currently available for public inspection at Tri-Met, Planning & Development Division, 4012 S.E. 17th Avenue, Portland, Oregon.

Second Notice of Public Hearing

Notice is hereby given that a public hearing will be held by the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) at the Portland Building, 1120 S.W. 5th Avenue, Second Floor, Meeting Room "C" at 10:00 a.m., Monday, August 29, 1983, for the purpose of considering projects for which federal assistance under Section 3 of the Urban Mass Transportation Act of 1964, as amended, is being sought.

The total grant application is for \$106,664 of which \$124,998 is the Federal share and \$41,666 is the local share. The project is an intensive technical assistance program for Tri-Met's current or prospective Minority Business Enterprises (MBEs). Tri-Met intends to issue a formal Request for Proposal for the provision of technical assistance services designed to overcome problems incurred by MBE's including financing, bonding and insurance, marketing, cost estimating, accounting, general management, evaluation of bids or proposals and limited patronage by prime contractors.

No person, families or businesses will be displaced by this project.

This project does not have any significant environmental impacts.

Special needs of the elderly and handicapped will be addressed by this project according to their qualification as Minority Business Enterprises.

The project is currently under review by the A-95 Clearinghouse and will be included in the FY '83 annual element of the Transportation Improvement Program.

A statement of Tri-Met's proposed charter bus service is available for inspection at the Tri-Met Administration Offices.

Tri-Met will not be engaging in school bus operations.

There will be no direct impact on private transportation enterprise by these projects.

At the hearing, Tri-Met will afford an opportunity for interested persons or agencies to be heard with respect to the social, economic and environmental aspects of the project, and to submit orally or in writing evidence and recommendations with respect to the project.

A copy of the application for a Federal grant for the project, the transit development plan for the area, and statement of proposed charter services are currently available for public inspection at Tri-Met, Planning and Development Division, 4012 S.E. 17th, Portland, Oregon.
