A MUST FOR ANYONE WHO QUILTS

Here is one of the largest treasuries of quilt designs and variations ever assembled—1001 patterns in all—an absolute must for anyone who quilts! This collection offers you a kaleidoscopic array of designs (44 in full color!) that range from traditional favorites to the new and innovative. The designs are geometric—easy to draw up—and intriguing at the same time—so they will fascinate both beginning and experienced quilters.

For the quilter's convenience, designs are grouped according to the number of patches making up the block, such as 4-patch, 9-patch and so on. Each design is clearly marked with graph lines to enable you to scale the block to any size desired.

Whether you work by hand or with the sewing machine, the designs in this book are bound to make it one of the most treasured and thumbed-through volumes on your bookshelf. Order your copy of 1001 Patchwork Designs today!

TO ORDER: Send your name, address, zip code and \$9.95 plus \$1.25 postage and handling to American Melody, 123 South Street, Oyster Bay, NY 11771. NY residents add appropriate sales tax. Please print clearly.
