Christmas is the best time
of the year
Hope you have a Merry
Christmas
Raindeers are cute you
know
It will be a good time of the
year
Soon you will be glad at
what you see
Today will be a good day I

hope
Merry Christmas to you
And I hope it will be
Christmas soon
Santa will be here pretty
soon.

Dear Santa Claus,
I think you are a nice person. You bring children toys. And you put little things in the stocking to make them nice. I think Christmas is the happiest time for all families to get together for the holidays, and have a nice time. The families can have a nice Christmas dinner together. And sing Christmas songs together. The children think you bring the nicest toys in the whole wide world. And whatever they want on their Christmas lists. And you bring it to them very happy. If mom and dad agree! I hope our Christmas will be happy too.

Baby boy.
He was born on Christmas
Day.
He was born in a manger
where donkeys and oxen
sheeps stood.
And Mary had named him
Jesus, as God had told
her.
He was a beautiful and a
good Baby.
