Suggestions?

Now that the summer is over and we await a long winter, it is time to start planning indoor events. B.E.A.N. is interested in knowing the kind of thing you would like to see or hear that you feel will help keep the community and the city united and growing together. As stated before, Portland is fast becoming an entertainment headquarters, but the support has to come from you, the public. That is why we call for your input. If you have any suggestion, please write to Joe (Bean) Keller, Entertainment Editor, *Portland Observer*, 2201 N. Killingsworth 97217.
