Get The Job In 4 Weeks —Guaranteed!

You could have a new job in four weeks or less—guaranteed—an employment expert says. All you need are the right job-hunting tools and tactics.

If you're out of work or looking to make a career change, you may want to join the millions of Americans who have turned "Twelve Steps to Finding a Job Under \$30,000 in Four Weeks" into a best-seller. The book is by Mike Marcon, who lectures and conducts workshops throughout the nation on finding jobs. The easy-to-read, easy-to-follow book reveals surprising facts and myths about resumes, methods of self-motivation, the best way to begin a job search, how to turn temporary and volunteer work into full-time employment, which jobs have the most growth potential and much more. The book is published by Prentice-Hall, which offers readers their money back if they're not satisfied with results.
