

There's a place in every business  
for Goodwill.

At Goodwill Industries, we're developing one of America's most valuable business resources. Disabled adults.

In Goodwill Industries' job training programs, disabled adults learn the job and interpersonal skills they'll need to compete suc-

cessfully in the working world. Then, with the help of local businesses and industries, they're getting the chance to put their talents to work. In sheltered workshop programs. On-the-job training programs. And full-time jobs. They're becoming taxpayers

instead of tax users. They're gaining self-respect, as well as the respect of their co-workers and employers. The bottom line is this. Goodwill Industries' job training programs are working. For the disabled. For the economy. And for businesses like yours.
