Medal of Honor Rag

A. Lee Wilson portrays a battle-scarred veteran who is having problems recovering from the Vietnam War which implanted in his mind a terrible horror that time can't seem to dissolve.

One cannot explain the depth of intense power generated in the one-act theatrical performance Medal of Honor Rag. Being held over due to popular demand, the production has revealed the anger and frustration brought about as a result of the Vietnam War. Medal of Honor Rag will be running for an extended two weeks, Friday and Saturday, Oct. 12th-13th and 19th-20th beginning at 8 p.m. at the Interstate Firehouse Culture Center. If you are a Vietnam Vet, or have not been exposed to the hardships of the Vietnam War, you are encouraged to attend. For more information, call 243-7930.
