AMERICAN LUNG ASSOCIATION

# THERE'S MORE THAN ONE WAY TO SERVE YOUR COUNTRY.

The Army is anything but a one-way street. You have all kinds of options.

For starters, there are Active Army and Army Reserve. If you choose to go into the Active Army, you can enlist for 2 or 3 years. And you can take your choice from over 300 skills you may qualify to train in. If you're thinking about college, you should certainly look into the Army College Fund.

If you're already committed to a job or school, you can still serve your country part-time in the Army Reserve, one weekend a month and two weeks a year, learning a useful skill and earning over \$1,200 a year to start.

The Army has many ways for you to serve your country. For the one best suited for you, call your Army Recruiter.
