Tubman students plan show

A performance of music, dance and drama is slated for Tubman's Annual Solstice Program. Featured will be a mixture of festive music from Europe and America, jazz and tap dance performances, and a dramatic production — all performed by students enrolled in Tubman Middle School's Performing Arts program.

The performance time for Tubman's Solstice Program is 7:30 p.m. on Wednesday, January 23, 1984. For more information, please call the school at 231-4996.

Black History programming

A group of video producers from the Black community have joined together to produce a special series of programming for Black History Month. We would like to involve the young people of the community in this project. We would like young people up to age 19 to help by presenting performances that last between one and five minutes. The presentation can be a reading, poetry, a skit, or even some original artwork which relates to some aspect of Black history. The presentations will be videotaped at the studio of Portland Cable Access, 5507 N. Lombard on Saturday, January 26, 1985 from 10 a.m. until 1 p.m.

For more information or to make a reservation to be taped, please call Lennie Edwards at 285-5200. If Mr. Edwards is not in when you call, please leave your name and number so he can return your call.
