## Mallory offers free phone

by Robert Lothian

Mallory Avenue Christian Church is doing something to help people from the surrounding neighborhood with the high cost of having a home phone.

The church has installed a free phone. It's available for local calls only in the church lobby, at 126 N.E. Alberta, during business hours Monday through Friday.

Rev. Douglas Wirt said Mallory has made a phone available for neighborhood residents for several years. With the help of two grants, the church installed a business line for neighborhood use in August. It costs about \$50 per month.

"In a sense, it's the neighborhood's idea," he said, because more people from the neighborhood had found themselves unable to afford a home phone and were coming to Mallory to make their calls. When families must choose between lights, water, heat and phone, "Usually the phone is the first one to go," said Wirt.

But a phone is nevertheless a social necessity, he continued. People need a phone "to make sure grandma is all right," to call landlords, utilities, social service agencies and to make job contacts. For some employers, said Wirt, "If you don't have a telephone number to give them, you don't get the job." The free phone has actually helped neighborhood residents get jobs, he added.

About 75 calls per week are made with the phone. No problems threaten continuance of the service, said Wirt, mainly because the phone is programmed not to allow long distance calls. "People have been really good about regulating the length of their calls, also," he said, "except for a couple of kids that really like to talk to their friends forever and ever. We have good neighbors."

The free phone was publicized widely in the beginning, and even made it on CBS News. A \$2,000 grant from the Rose E. Tucker Charitable Trust and a \$5,000 grant from a North Portland woman donated in memory of her husband and son who were killed by a drunk driver, made the free phone possible.

"As rates go up, we think we are going to see a lot more use of this phone," said Wirt, who added that volunteers are needed to staff the phone and make sure it isn't abused.
