### B.E.A.N. checks out Houston

For the past week I've (B.E.A.N.) had an opportunity to spend time in Houston, Texas. My trip was for business, plus a minor vacation (which I deserved).

B.E.A.N. has decided to make this year "The Year of Expansion," and that was the purpose of this trip, because I personally do believe that Portland, Oregon, has talent that is capable of competing on the national level. Now is the time for the artistic community of Portland to broaden its creative and hidden talent, reaching out for national recognition.

One thing I learned on my trip was the fact that a supportive audience is as important to the artists' success as the artists themselves. This is to say, we, the audience, must show much appreciation and give much encouragement to our artistic community. It takes teamwork, and if we work together we can expand.

During my stay in Houston, I had a chance to talk to a few people, including Pam Collins, program director of KTSU Radio (90.1 FM), based on the campus of Texas Southern University; Joe Mantel, in charge of promotions for Magic 102 FM. Both of these radio stations play music ranging from funk to progressive jazz and cater to a large segment of the Houston area as well as other cities. I also had a chance to talk with other promoters and business persons in the field of entertainment. I was also able to hear some live music, attending a reggae club named the Cabanna, which housed some of the best reggae music in the nation.

I also went to Astro World, where I saw and heard the Bar-Keys and the Dazz Band. Marlon McClain of Portland (former guitar player for Pleasure) is the guitar player for the Dazz Band and we had a chance to meet and talk backstage, along with a good friend of mine, Ricky Coxeff — formerly of Portland and now living in Houston — who along with his new family made my stay a pleasant one.

Overall the trip was worthwhile. I learned a lot and do believe that this will advance B.E.A.N. another step up the ladder to success.

### New Klan topic of KBOO show

The Klan of the 80s and related groups of the far right "are able to fairly adeptly take advantage of people's economic and political frustrations," according to Lyn Wells of the National Anti-Klan Network. As a result, the Klan has grown by 600 percent since 1971.

Lyn Wells will be a guest on KBOO's Morning Magazine, Tuesday, May 7 at 9:30 a.m. She will discuss the various branches of the new Klan, other groups of the white supremacist far right, their relationship to the "new right," and the work of the National Anti-Klan Network in the South.

Also appearing on the program will be Dr. David Horowitz, Portland State University professor who has been studying the Oregon Klan of the 20's. Dr. Horowitz spoke to an overflow crowd at the Oregon Historical Center in April on "The Ethical Dilemmas of Tracking Down the Klan: The Oregon KuKlux Klan of the 1920's."

The National Anti-Klan Network was formed in the aftermath of the 1979 Greensboro KuKlux Klan killings.

### Mina Temple hosts gala

Mina Temple No. 68, Prince Hall Shriners, will have their first Gala day Parade Saturday, May 4, starting at 11 a.m. The parade route will begin at Jefferson High School practice field on North Alberta, then West on Alberta to Albina, North on Albina and ending at Peninsula Park. Prince Hall Shriners from Tacoma and Seattle will participate in the parade as well as various local groups.

At 9:30 p.m., May 4 at the Masonic Temple, 116 N.E. Russell, Mina Temple will sponsor a Fun Night of games, music and a Give-Away Prize of a hind quarter of beef and a second prize of 25 pounds of beef. The public is invited to attend. Also, be sure and watch the parade.

# You could be the one to win it!

## OREGON'S VERY OWN LOTTERY IS HERE.

Pot of Gold. Just a dollar a ticket. Yet you could win from \$2 to \$5,000 instantly! Or, if you're really lucky, the Jackpot Prize of at least \$600,000!

### HERE'S HOW YOU PLAY.

First, buy yourself a ticket or two wherever you see our sign. There are thousands of ticket outlets all across Oregon.

Then, using the edge of a coin, gently rub the spots indicated on the ticket. If the same amount appears on three of these spots, you win!

If you're one of the many \$2 or \$5 winners, simply claim your prize at the store where you bought the ticket. If, on the other hand, you're one who wins at least \$100, take or mail your ticket to the Oregon Lottery office nearest you. You'll receive your money on the spot.

But, that's not all.

If you're one of the really lucky ones to win exactly \$100, you'll also be eligible for a chance to spin our

Jackpot Wheel. And win from \$1,000 to \$25,000 more. Or, the Giant Jackpot Prize of at least \$600,000. At least, because if nobody wins it one week, it grows and grows and keeps on growing until somebody wins.

And remember, somebody will win!

## OKAY, SO WHAT EXACTLY ARE THE CHANCES OF WINNING?

Actually, pretty darn good.

We absolutely, positively guarantee that the odds of winning average out to better than 1 in 10. Just check out the chart to find the exact odds for each prize.

INSTANT PRIZE STRUCTURE		
Based on approximately 40 million tickets in the Game		
INSTANT PRIZE	NUMBER OF WINNERS	CHANCES OF WINNING
\$ 2	4,008,000	1:10
\$ 5	520,640	1:125
\$ 100	2,672	1:15,000
\$ 500	1,356	1:30,000
\$1,000	835	1:48,000
\$5,000	668	1:60,000

## OREGON WINS, EVERY TIME YOU BUY A TICKET.

For every dollar you spend on tickets, at least 34 cents goes to Economic Development for Oregon. That means more jobs. For ourselves. And our kids.

So, you see, even if you don't win, you win.

By the way, with the remaining 66 cents, just 16 cents or less goes to running the lottery, while a big 50 cents goes to prizes. No wonder so many people will win.

Including, we hope, you.

Good luck!
