Stevenson benefit dance

On Monday, May 27th (Memorial Day) there will be a benefit dance in memory of Lloyd Stevenson by a number of Portland's finest bands. Rita Patricia Bankhead, the event coordinator, has brought together the Esquires, Heart-N-Soul, Frank Redding & Co., June 17, Rock Toy, Sleazy Pieces, Billy Rancher, Calvin Walker and others to donate their time to raise money for the Stevenson Fund. The event will be held at the Pine Street Theatre (S.E. 9th & Pine), beginning at 6:00 p.m. There will be a donation of \$4.00 accepted at the door and the public is invited. All proceeds will be turned over to the Urban League Stevenson Fund, headed by Ray Leary. Other contributors are PIP Printing, Quik-Print and Al Salazar of the Pine St. Theatre.

Break-off championships

Whitaker Middle School proudly presents the spectacular of 1985, the P.L.L. Break-off Championship Classics involving the most competitive breakers representing Portland Public Middle Schools. This event will take place on Friday, May 24 at 6:00 p.m., in the Whitaker gymnasium.

Selected students from Portland Public Middle Schools will demonstrate their unique styles of breaking individually and in team competition, being judged by community professionals.

A special break-dance group from Seattle, Washington, will also perform along with a Double Dutch demonstration.

The winners will receive an opportunity to perform before a live audience and be video taped for cable television. Admission is \$2.00, with proceeds used to provide computer scholarships.

African American Ballet

On Saturday, June 1, the Northwest Afrikan American Ballet will present their annual spring concert at the Jefferson High School Auditorium. The ballet has proved to be the most electrifying dance company to emerge from the Northwest in some time. With its precision drumming and festive colored traditional costumes, the Northwest Afrikan American Ballet has performed for standing room audiences that have been left with a feeling of authentic grandeur.

The company was conceived in October 1982 by Bruce Smith, the artistic director, after extensive study and research in New York and Senegal, West Africa. The focus of their presentation not only shows traditional African dance as a valid dance technique, but a cultural lifestyle throughout the performance. You'll see a social dance from Mali, a South African Boot Dance, a Men's Initiation Dance, and more.

Starry Night concert

On Thursday, May 23, the public is invited to a free concert to be held at the Starry Night, featuring Portland's own Cool'R. Cool'R invites you to be a part of their new video to be played on Cable TV and hopefully on the national video stations. The video shooting will begin at 8:30 p.m., with doors opening about 7:00 p.m. Those attending must be 21 or older.
