"Rick Mitchell - Thanks"

On behalf of Better Entertainment Attractions Network (B.E.A.N.) and the community musicians, we would like to thank Rick Mitchell of *The Oregonian* for the coverage in this past Sunday's edition on Young Black Musicians on the Portland scene.

Many people have been wondering the purpose of the article and its intentions. The intent was to bring awareness to the public of the problem that many Black entertainers in the R&B market are having in being accepted into the Portland scene. Realizing the problem is not only with the R&B market. We are only making a point that our struggle is a little harder. We are not looking for a handout; we will and are working for our success, but we just want to let you know that we are here and qualified.

If you have any comments or suggestions you would like to share, please write to Joe (Bean) Keller at 1463 N.E. Killingsworth, Portland, Oregon 97211.
