Hoop camp offered

If there has ever been an offer that couldn't be refused, Tom McKenna's Grant Girls Hoop Camp should rank up there with one of Vitto Corleone's infamous deals.

Here's the offer. From June 17-21, at Grant High School, Coach Tom McKenna will be joined by a star-studded cast of guest instructors to offer city kids the opportunity to meet local coaches and to learn some great basketball techniques while having fun. The cost makes the deal even sweeter, just \$25.00.

The list of guest instructors include:

- Andy Mcloskey, assistant women's coach at OSU.
- Deb Weston from U. of O.
- Dave Olmsted, head coach at the

U. of Portland.

- John Lee, head coach at PCC.
- Joan Bonvicini, head coach at Long Beach State.
- Mark Radford, former player at OSU and Seattle Sonics.
- Darrell Tanner, U. of Washington and Central Washington.
- Ken Trapp, from Clark Community College.

• Jack Ramsay or Bucky Buckwalter from the Trail Blazers.

Tom McKenna is an excellent coach in his own right but when you add the guest list that he has compiled, not taking advantage of this opportunity would be criminal. The camp is open to any young lady of Jr. High and high school age.
