NOTICE

TO DISADVANTAGED AND WOMEN-OWNED BUSINESSES, CONCERNING OPERATION OF ST. JOHN'S SANITARY LAND FILL

SCA Service of Oregon, Inc., intends to submit a proposal to the Metropolitan Service District for the operation of the St. John's Sanitary Landfill located in Portland, OR, for the period commencing on Oct. 1, 1985 until final closure of the landfill, which is expected to occur in approximately 3 1/2 years.

In order to be eligible for the award of the contract, SCA Services of Oregon, Inc., must meet or prove that it has made a good faith effort to meet the disadvantaged and women-owned business of the Metropolitan Service District.

As a showing of its good faith efforts, SCA Services of Oregon, Inc., hereby notify disadvantaged and women-owned businesses that their interest in serving as sub-contractors under the contract for the operations of the St. John's Sanitary Landfill, should it be awarded to SCA Services of Oregon, Inc., is hereby solicited.

The work under the contract will cover the following among other things, some of which will be available for sub-contract to disadvantaged and women-owned businesses: Operation of a sanitary landfill serving the disposal, needs of the public, commercial collectors and the industrial accounts in the Portland Metropolitan Area, including mobilization of equipment and personnel onto the site; spreading, placing, compacting and covering all refuse received; construction, maintenance, use and removal of unloading pad; purchasing, transporting and stockpiling final and daily cover material for the landfill site; placing and grading final cover material on completed portions of the land fill; construction and maintenance of all interim and final access road; construction of final drainage structures; maintenance of final structure; access roads, and all appurtenant aspect of the land filling operations during operations for the entire site; operations and maintenance of public transfer and recycling station; dewatering in certain areas, prior to filling; seeding and erosion control on final landfill surface; maintenance of proper surface drainage on all filled or unfilled portions of the site; and demobilization of equipment and personnel from the site upon termination of the contract.

If you are interested in serving as a sub-contractor under this contract, should it be awarded to SCA Services of Oregon, Inc., kindly supply the name and address of your business, the name of the person to contact at your business, a description of the services that your business is capable of performing, a description of the experience and qualifications that your business has in those services, a financial statement for your business (if available), and a list of references to
